

# Building Audit – completed August 16, 2022

## Parking

- X Accessible parking – changes in elevation between curbs and sidewalk are well marked in yellow
- X Parking lots and sidewalks are paved and flat – there is a ramp for accessibility

## Entrance

- X Entrances are clearly visible and obvious
- X Exterior is well lit
- X Ramp
- X Automatic doors
- X Entrance has employees around and is visible – suggest removing the taller merchandise bin right as you come in to make room for wheelchairs
- Entrance has a clear map of premises – no map/layout, however there is an employee greeting each customer and helping them find their way
