Dementia can be isolating and overwhelming, whether you are living with it yourself, or supporting someone else. The Dementia Society of Ottawa and Renfrew County exists so that here, no one faces dementia alone.

Choosing to support our community of thousands facing dementia is an important step to making a difference.

The following tips and tools can help you to kickstart your efforts.
Thank you for taking this first meaningful step!

Marketing Tools

We have a variety of marketing tools to help you spread the word, connect with potential donors, and achieve your fundraising goals. The Walk for Dementia logo, print-on-demand pledge form, and poster are available on the Walk for Dementia site at www.DementiaHelp.ca/Walk.
