

Upgrade Your Home For Free!

The Affordability Fund is here to help!

If you *own or rent* your home, pay a hydro bill, and do not qualify for low-income programs, you are eligible.

You could qualify for FREE Energy Star power bars, lightbulbs, appliances, insulation, or heat pump!

To apply, you will need to have a copy of your hydro bill and an estimate of your household income.

Need Help with the Application Process or Additional Support and Access to other Services?

The Affordability Fund has a pilot program in Ottawa!
